INDUSTRIAL SUPPLY & MRO SOLUTIONS

Your global partner for industrial components, automation systems, MRO and engineering solutions. One request. Any part. Anywhere.

COMPANY PROFILE 2026

AMOX

INDUSTRIAL SUPPLY. RELIABLE SOLUTIONS.

WHO WE ARE

AMOX is a global industrial supply company specializing in multi-brand industrial components and MRO supply. We help manufacturers, contractors, and maintenance teams source genuine products from trusted suppliers worldwide delivering reliability, competitive pricing, and dependable lead times.

OUR VISION

To become the preferred industrial supply partner across the Middle East by delivering trusted products, responsive service, and long-term customer value.

OUR MISSION

To simplify industrial procurement through global sourcing, technical expertise, and reliable supply solutions that maximize equipment uptime and operational efficiency.

WHY CHOOSE AMOX?

GLOBAL SUPPLIER NETWORK
Access to a vast network of qualified manufacturers and trusted international brands.

GENUINE INDUSTRIAL PRODUCTS
We supply only genuine products from authorized suppliers and recognized manufacturers.

TECHNICAL SOURCING EXPERTISE
Expert support in identifying equivalent, substitute and obsolete components.

FAST RFQ RESPONSE
Quick response to RFQs with competitive quotations and dependable lead times.

MULTI-BRAND SUPPLY
One reliable source for thousands of industrial products across multiple brands.

CUSTOMER-FIRST SERVICE
Long-term partnerships built on responsiveness, transparency, and reliability.

WHAT WE SOLVE

01. HARD-TO-FIND PARTS
supplying difficult-to-find industrial components through our global supplier network.

02. OBSOLETE & DISCONTINUED
Support in identifying available alternatives and suitable replacements.

03. MULTI-BRAND REQUIREMENTS
One sourcing partner for components across multiple manufacturers and product categories.

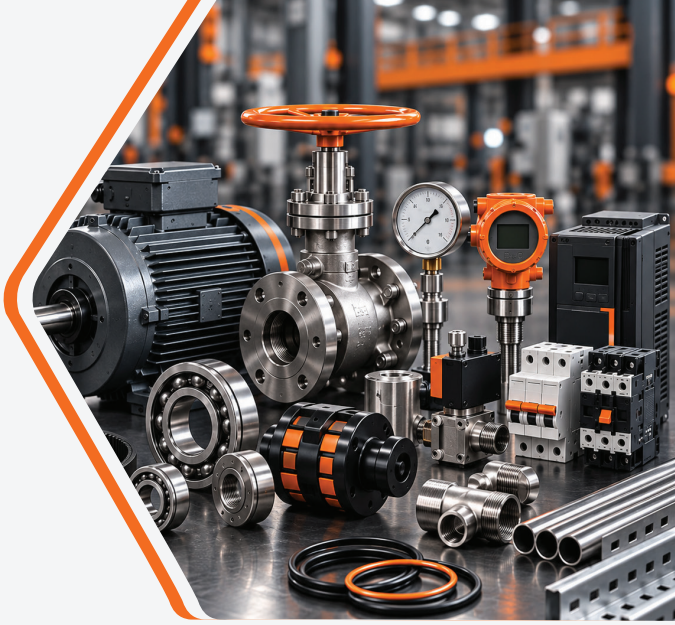

04. TECHNICAL IDENTIFICATION
Identify products from part numbers, drawings, photos, nameplates or BOMs.

05. TIME-CRITICAL REQUIREMENTS
Fast RFQ response and sourcing support for urgent maintenance and production needs.

06. FRAGMENTED PROCUREMENT
Consolidating multiple requirements into one clear and efficient sourcing process.

AMOX

INDUSTRIAL SUPPLY. RELIABLE SOLUTIONS.

PRODUCTS WE SUPPLY

A comprehensive range of industrial products and components from leading global brands to keep your operations running reliably and efficiently.

01 INDUSTRIAL AUTOMATION COMPONENTS

OVERVIEW:

Supplying automation solutions for new installations, upgrades, and maintenance, including control systems, HMIs, drives, and industrial networking products.

PRODUCT CATEGORIES:

- PLC Systems
- HMI Panels
- Variable Drives (VFD)
- Servo Systems
- Industrial Networking
- Remote I/O
- Power Supplies
- Industrial PCs

02 ELECTRICAL COMPONENTS

OVERVIEW:

Low-voltage electrical components that ensure the safety, protection, and reliable operation of your facilities and equipment.

PRODUCT CATEGORIES:

- Contactors
- Relays
- Circuit Breakers (MCB, MCCB, ACB)
- Motor Protection
- Push Buttons
- Selector Switches
- Pilot Lights
- Terminal Blocks
- Surge Protection
- Control Transformers

AMOX

INDUSTRIAL SUPPLY. RELIABLE SOLUTIONS.

PRODUCTS WE SUPPLY

Delivering high-performance industrial equipment with expert technical support and dependable supply chain solutions tailored to your operational needs.

03 MECHANICAL MRO

OVERVIEW:

A wide range of mechanical maintenance, repair, and operation products to minimize downtime and extend the life of your equipment.

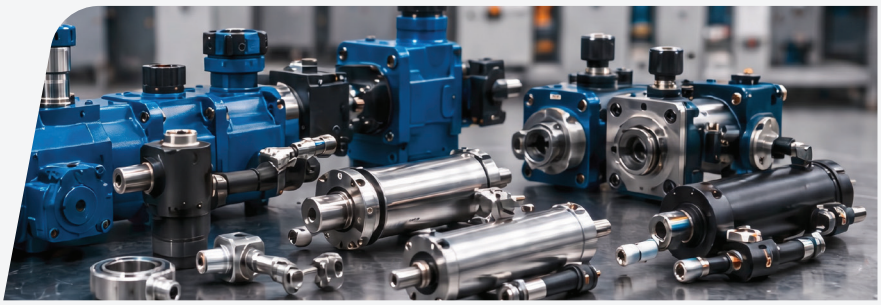

PRODUCT CATEGORIES:

Bearings | Gearboxes | Electric Motors | Couplings | Belts | Chains | Sprockets | Linear Motion | Shafts | Bushings

04 FLUID POWER

OVERVIEW:

High-quality hydraulic and pneumatic products designed for precision, durability, and performance in demanding applications.

PRODUCT CATEGORIES:

Cylinders | Solenoid Valves | FRLs | Air Preparation | Pumps | Hydraulic Cylinders | Directional Valves | Pressure Valves | Hydraulic Hoses | Seal Kits

AMOX

INDUSTRIAL SUPPLY. RELIABLE SOLUTIONS.

PRODUCTS WE SUPPLY

An extensive selection of premium industrial supplies and spare parts from world-class manufacturers, designed to maximize your operational uptime and efficiency.

05 POWER TRANSMISSION

OVERVIEW:

A complete range of reliable power transmission components for efficient and smooth power transfer in industrial applications.

PRODUCT CATEGORIES:

Gearboxes & Gear Reducers

Couplings

Belts

Chains

Sprockets

Pulleys

Clutches & Brakes

Linear Motion Components

06 INDUSTRIAL TOOLS & MAINTENANCE EQUIPMENT

OVERVIEW:

A wide selection of high-quality tools and maintenance equipment to support installation, repair, and maintenance tasks across industries.

PRODUCT CATEGORIES:

Hand Tools

Power Tools

Pneumatic Tools

Torque Tools

Cutting Tools

Measuring & Inspection Tools

Workshop Equipment

Maintenance Equipment

INDUSTRIAL SUPPLY. RELIABLE SOLUTIONS.

PRODUCTS WE SUPPLY

High-performance industrial parts and solutions sourced from renowned global leaders, built to keep your production lines moving without interruption.

07 INSTRUMENTATION & CONTROL

OVERVIEW:

Reliable instrumentation and control solutions for accurate measurement, monitoring and process control to improve efficiency, safety and product quality.

PRODUCT CATEGORIES:

- Pressure Instruments
- Temperature Instruments
- Flow Meters
- Level Instruments
- Analytical Instruments
- Control Valves
- Transmitters
- PLC & DCS Systems
- Recorders & Indicators

08 FASTENERS, BOLTS & NUTS

OVERVIEW:

A comprehensive range of fasteners, bolts and nuts in various materials and grades to ensure secure connections and long-lasting performance.

PRODUCT CATEGORIES:

- Hex Bolts
- Socket Head Bolts
- Threaded Rods
- Hex Nuts
- Lock Nuts (Nyloc)
- Washers
- Screws
- Anchor Bolts
- Specialty Fasteners

PRODUCTS WE SUPPLY

A comprehensive range of industrial products and components from leading global brands to keep your operations running reliably and efficiently.

09 VFDS & MOTION CONTROL

OVERVIEW:

Advanced variable frequency drives and motion control solutions for precise speed, torque and position control to optimize your processes and equipment performance.

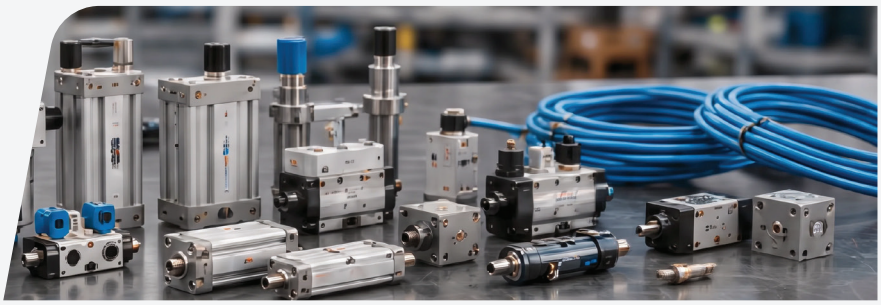

PRODUCT CATEGORIES:

- AC Drives (VFDs)
- Servo Systems
- Servo Motors
- Stepper Motors
- Gearmotors
- Encoders
- Motion Controllers
- Soft Starters
- Braking Resistors

10 PNEUMATICS

OVERVIEW:

High-quality pneumatic components and systems that deliver reliable, efficient and cost-effective solutions for a wide range of industrial applications.

PRODUCT CATEGORIES:

- Cylinders
- Air Preparation (FRL)
- Solenoid Valves
- Pneumatic Valves
- Push-in Fittings
- Flow Control Valves
- Air Tubing & Hoses
- Pressure Switches
- Vacuum Components
- Accessories

11 WELDING & FABRICATION

OVERVIEW:

A dedicated range covering welding equipment, welding consumables, fabrication equipment, and welding-related accessories.

PRODUCT CATEGORIES:

Welding Machines | Welding Electrodes | Welding Wires & Rods | Welding Torches | Welding Gas Equipment | Welding Positioners | Welding Clamps & Fixtures | Welding Accessories

12 ABRASIVES & CUTTING

OVERVIEW:

A dedicated range of abrasive and cutting products for grinding, cutting, surface preparation, polishing, and finishing applications.

PRODUCT CATEGORIES:

Grinding Wheels | Cut-Off Wheels | Flap Discs | Abrasive Belts | Abrasive Sheets & Rolls | Wire Brushes | Polishing & Finishing Products | Diamond & Carbide Products

PRODUCTS WE SUPPLY

A comprehensive range of industrial products and components from leading global brands to keep your operations running reliably and efficiently.

13 HYDRAULICS

OVERVIEW:

Reliable hydraulic components and systems engineered for high performance, durability, and precision in the most demanding environments.

PRODUCT CATEGORIES:

- Hydraulic Pumps
- Hydraulic Motors
- Directional Control Valves
- Pressure Control Valves
- Flow Control Valves
- Hydraulic Cylinders
- Power Units
- Accumulators
- Hydraulic Filters

14 ELECTRICAL COMPONENTS

OVERVIEW:

A wide range of electrical components and accessories to ensure safe, efficient, and reliable performance across your operations.

PRODUCT CATEGORIES:

- Circuit Breakers
- Contactors
- Relays
- Overload Relays
- Terminal Blocks
- Cable & Wires
- Control Switches
- Power Supplies
- Cable Management
- Connectors & Lugs

15 LIFTING & MATERIAL HANDLING

OVERVIEW:

Reliable lifting and material handling solutions built for safety, durability and efficient operations in industrial environments.

PRODUCT CATEGORIES:

- Hoists
- Cranes & Crane Components
- Lifting Slings
- Shackles & Rigging Hardware
- Lifting Accessories
- Trolleys & Carts
- Industrial Jacks
- Material Handling Equipment

16 INDUSTRIAL SAFETY

OVERVIEW:

High-quality safety products that help protect people, prevent injuries and ensure a safe working environment.

PRODUCT CATEGORIES:

- Personal Protective Equipment
- Fall Protection
- RelSafety Footwearays
- Respiratory Protection
- Eye & Face Protection
- Hearing Protection
- Safety Barriers & Signage
- Spill & Emergency Equipment

AMOX

INDUSTRIAL SUPPLY. RELIABLE SOLUTIONS.

INDUSTRIES WE SERVE

We support a wide range of industries with the right parts and solutions to keep their operations running efficiently and reliably.

OIL & GAS

Reliable solutions for exploration, production and processing operations.

PETROCHEMICAL

High-performance components for continuous and demanding processes.

ELECTRICAL & ELECTRONINCS

Advanced components and solutions for power distribution, automation, and electronic systems.

WATER & WASTEWATER

Solutions for pumping, treatment and distribution applications.

CEMENT & BUILDING MATERIALS

Durable components for harsh environments and heavy-duty applications.

PACKAGING & PAINTING

Reliable equipment & components for automated packaging lines, industrial coating, & surface finishing.

FOOD & BEVERAGE

Hygienic and reliable solutions for all stages of production and packaging.

PHARMACEUTICALS

Precision components that meet strict quality and compliance standards.

AUTOMOTIVE

Supporting manufacturing with quality parts and automation solutions.

Chemicals

Specialized components and solutions for chemical processing, fluid handling, and storage.

BUILT TO SUPPORT YOUR BUSINESS

KEEP YOUR OPERATIONS RUNNING
Reliable products and solutions that help reduce downtime and keep your operations moving.

QUALITY YOU CAN TRUST
Sourced from reputable manufacturers and authorized suppliers to ensure genuine quality.

GLOBAL PRODUCTS LOCAL SUPPORT

WHAT CAN YOU SEND US?

You don't need to know the part. We do.
Send us any of the following, and our engineering team will identify, source, or recommend the right solution.

01 PART NUMBER

Know the part number? We'll source it quickly from our global supplier network.

02 NAMEPLATE

Send us a photo of the equipment nameplate. We'll identify compatible spare parts.

03 PRODUCT PHOTO

Not sure what it is? Simply send a clear photo.

04 TECHNICAL DRAWING

Engineering drawing? We'll manufacture or source it.

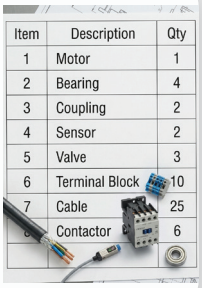

05 DAMAGED SAMPLE

Ship the damaged component. We'll inspect and replace it.

06 BOM / PART LIST

Need multiple items? Send your Bill of Materials. We'll prepare one consolidated quotation.

Item	Description	Qty
1	Motor	1
2	Bearing	4
3	Coupling	2
4	Sensor	2
5	Valve	3
6	Terminal Block	10
7	Cable	25
	Contactor	6

07 MACHINE INFORMATION

Machine model, OEM, serial number or any information. We'll identify the correct spare part.

08 RFQ REQUEST LIST

Send your RFQ list. We'll source all required items through one point of contact.

09 OBSOLETE PRODUCT

Discontinued? We'll locate surplus stock or recommend an equivalent replacement.
